MEMORANDUM FOR: Chief, DDI Television Center  
 THROUGH: Director of Current Production and Analytic Support  
 FROM:   
 Director, Foreign Broadcast Information Service  
 SUBJECT: Film on Use of Soviet Television

STAT

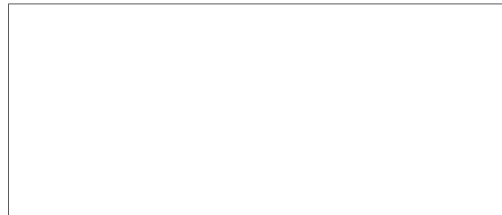

1. I would like to extend a word of appreciation for the excellent work done by your staff in producing the film "Television . . . A New Overt Source" for FBIS, documenting the value of Soviet television as a tool for intelligence analysts. It is a highly professional job in every respect. We envisage many uses for it.

2. I understand that  deserves major credit for the production and that  is responsible for the script. Please extend our special thanks to them, as well as to all the members of your staff who worked so effectively with the FBIS Analysis Group on the project.

STAT  
STAT

3. We look forward to a continuing productive relationship with the Center as FBIS' capability for worldwide television monitoring develops.
